

WE ARE NEW YORK'S LAW SCHOOL

THE 2017 SUMMER RESEARCH CHALLENGE IS ON!

Let us work with you to improve your research skills using the tools you'll need in practice.

Each session you will be challenged to tackle a concrete research problem and efficiently identify the law bearing on your client's situation. We will wrap up with refreshments and discuss results and strategies.

Attend the sessions that most interest you. **Those who complete all four evenings in June will receive a certificate** signed by Associate Dean William P. LaPiana and Associate Dean and Library Director Camille Broussard recognizing this achievement. It's a great practical skill certification for your resume.
